Santa Clara University- Gamma Xi Chapter Corporate Sponsor Form

Director of Community Relations or Corporate Donations,

Delta Sigma Pi is America's foremost business fraternity, organized to foster the study of business in universities and to further a higher standard of commercial ethics and culture. To accomplish our goals that aid students in their academic and professional development we facilitate speakers, conferences, college-wide workshops, and company tours, we need your assistance as a corporate sponsor. Your participation helps to finance costs incurred during the academic school year such as chapter dues, paying for professional trips and conferences, and it will also allow our chapter to provide professional development activities such as networking events and resume-building.

The Gamma Xi Chapter is a well-recognized and respected organization of Santa Clara University and its community. With your participation and support, you will gain recognition at Santa Clara's, Leavey School of Business and recruit from their successful students. There are various levels of sponsorship and ways in which we welcome your support.

Thank you for your time and we look forward to a successful partnership with your organization.

Sincerely,
